# TRAINEE PROJECT ENGINEER

Bielany Wrocławskie, Poland  
Ref: R-10821

Join our Mission to Lead the Future of Snacking. Make It Matter.

As an organization we are committed to developing the next generation of Makers and Bakers. Joining us at an early career stage in our fast paced and ever changing environment will enable you to do more, learn more and grow more. You will be encouraged to step outside your comfort zone– you may even surprise yourself! We will ensure you are given the support you need to be at your best and enable you to be yourself and bring passion and personality. Here you can lean in and speak up and bring your own flavor.

Purpose of the position:

Support the implementation of the investment agenda according to the scope, budget and timing.

Key Tasks and Responsibilities:

- Ensure efficient projects execution according to the scope, budget and schedule considering legal regulations, norms, procedures and internal standards
- Support continuous improvement agenda
- Evaluation of the technical specifications and project documentation

- Managing the contractors according to the procedures and regulations
- Support the necessary tests and trials in order to set up the optimum parameters of the lines / equipment
- Performing all the necessary measurements and analyses in order to find the most efficient solutions to improve the lines / equipment (from idea to execution)

Preparing all the necessary documentation related to technical projects in compliance with the investment procedure

Knowledge, skills, experience and language expertise required:

- Technical education - Master`s degree (Mechanical Engineering, Electrical Engineering or similar field – final year or graduated)
- Project management skills
- Knowledge of food industry engineering will be an advantage.
- Practical skills in using software such as AutoCad
- Highly developed interpersonal skills
- Highly developed self-organisation skills
- Analytical thinking and planning skills
- Fluent in spoken Polish and English
- Driving licence
