## DESCRIPTION of the dormitories (below)

### ARKA

The rooms in the dormitory are arranged in modules (units). This means that the residents of more than one room share a toilet and a shower. The rooms in the units are for a maximum number of **8** or **10** persons (4 double rooms to share a toilet and a shower or 2 triples and 2 doubles).

There is **one** kitchen to be shared by all the residents on each floor.

You will need your own kitchen utensils (plates, cups, pots, pans, etc.).

The linen, pillows and blankets are provided by the dormitory services and changed every month.

**Four** washing machines (payable) are available.

*Other facilities:* Internet connection, TV room, photocopiers, a workout room, a small shop downstairs.

### RAJ

The rooms in RAJ are of higher standard than those in ARKA, therefore the prices are higher. They are arranged in modules (units) for **2** or **4** persons to share a kitchen and a bathroom (2 single rooms or 2 double rooms per unit).

You will need your own kitchen utensils (plates, cups, pots, pans, etc.).

The linen, pillows and blankets are provided by the dormitory services and changed every month.

**Three** washing machines (payable) are available.

*Other facilities:* Internet connection, TV room, photocopiers, a workout room, a small shop downstairs.

**If you are an Erasmus student at our university** and want to book a room in our halls of residence “**ARKA**” or “**RAJ**”, please send the Application Form by mail to:

[jadwiga.bolechowska@upwr.edu.pl](mailto:jadwiga.bolechowska@upwr.edu.pl)

The **deadlines** for sending the Application Forms:

1. **July 1<sup>st</sup>** – for the students coming for the first semester and full year,
2. **December 1<sup>st</sup>** for the students coming for the second semester.

Please note: there are only 4 single rooms in ARKA and 4 single rooms in RAJ, so even if you apply for a single room, it seems quite possible that you will be offered a double room in the dormitory ARKA!

If you don't find the dormitory offer satisfying or your application is received too late, you will have to find private accommodation in the city. Unfortunately, you have to do it by yourself.

### Important Note:

I am not in a position to take any responsibility for any residence outside the university.
